

DIFFUSION AUTHORIZATION

I, _____, with ID/Passport n° _____, who holds the exploitation rights of the document/s _____, authorizes the University of Girona to its diffusion according to the following conditions:

1.- The University of Girona will be able to copy in another format, adapt or transform the documents with diffusion or preservation purposes.

2.- The University of Girona will be able to make diffusion, publish or communicate the documents, entirely or partially, without commercial benefits, exclusively with research and teaching support or illustration purposes. For those purposes the undersigned person transfers, non exclusively, without territorial or temporary limits, the corresponding exploitation rights as author.

3.- The University of Girona will be able to make diffusion, publish or communicate the documents in any media, Internet included. The undersigned person authorizes deliberately the incorporation of the documents in an open access electronic database.

4.- The undersigned person authorizes the University of Girona to agree with other persons the preservation or diffusion of the documents in the terms shown in the former paragraphs, when these persons' purposes agree with the cession of the rights provided in this act.

5.- The undersigned person keeps the rest of rights non-referred in the present document.
